## How to Sign In

There is a lot of content within the resource and you are not expected to complete this in one sitting. To access the resource each time, you will need to **Sign in** to view/access the resource – using either the **Sign In** tile below or directly from the resource using the "**Sign in** to view" tab.

Description

Sign in to view

This resource has been developed specifically for Childminders who are carring for children in their own homes to undertake care training to meet their Minimum Standards for Childran Under Age 12. It has been designed to provide flexible access to the learning content and support Childminders to learn at a time and pace that suits them best.

When you click the **Sign In** tile or the **Sign in to view** tab you will see the following screen and you will need to input the email you registered with and the secure passcode. Your computer may remember these details if you saved them at the registration stage – then click **Log in**.

If you forget your passcode you can click on the **Forgot your passcode** link to generate a new passcode. This will take you to the Reset Passcode screen see below.
